FOOD PANTRY IN NEED

Freeport Community Services Food Pantry has seen a 33% increase in usage over the past several years, however their donations are significantly lacking this year. The Food Pantry is currently short by TONS of the food that makes up the Thanksgiving and Christmas boxes that go to local families in need over the holidays.

Please find it in your heart to donate to Freeport Community Services through their website at www.fscmaine.org/donate.htm and help provide for your neighbors in need through the holidays.
